

REFLECTIVE WRITING IN BRIGHTSPACE

REFLECTIVE JOURNALS ARE INDIVIDUAL STUDENT INPUTS THAT CAN BE VIEWED ONLY BY A TUTOR, AND CAN BE ALSO ASSESSED.

BELOW YOU WILL FIND INSTRUCTIONS ON HOW TO SET UP A REFLECTIVE JOURNAL FOR INDIVIDUAL STUDENTS ONLY.

- 1 Start with logging yourself to the VLE. Go to the module you will be working on.
- 2 We will start with setting up groups as one student = an individual group. This set up will allow only the tutor to view and comment on individual inputs.

TOPIC - is where you will give for example weekly instructions for students

In this module we will focus on reflective journaling. Have you ever done it before? How to approach it?

Every week there will be a topic added to this forum and your task will be to add a thread to it on a regular basis. You will be able to view only your inputs within this forum.

These are TOPICS - that will hold students' inputs - they will not see each other's writing!
