

# GROUP WORK

## WITH BRIGHTSPACE

### WHERE TO START?

- Design your group work activity and/or an assignment
- To set up groups select **My Groups** in Brightspace, go through the main settings but think how you will **enrol students** to your group based on the following:

**Manual Enrolment** of students - you pick the students

✓ # of Groups - No Auto Enrolments

**Auto Enrolment** - students will be randomly allocated basis on your needs (no of students in a group or groups)

Groups of #  
# of Groups

**Self Enrolment** of students - they can decide which group to join

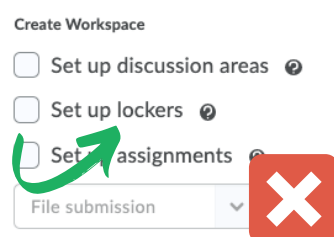

Groups of # - Self Enrolment  
# of Groups - Self Enrolment  
# of Groups, Capacity of # - Self Enrolment

**Individual students** enrolment - "single person" grouping for journals

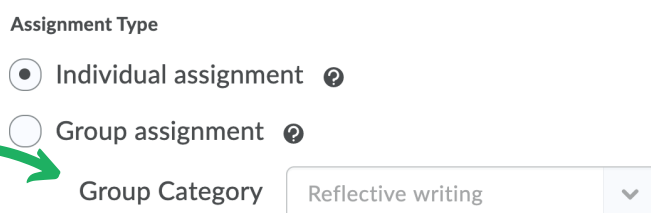

Single user, member-specific groups

## BRIGHTSPACE FUNCTIONALITIES

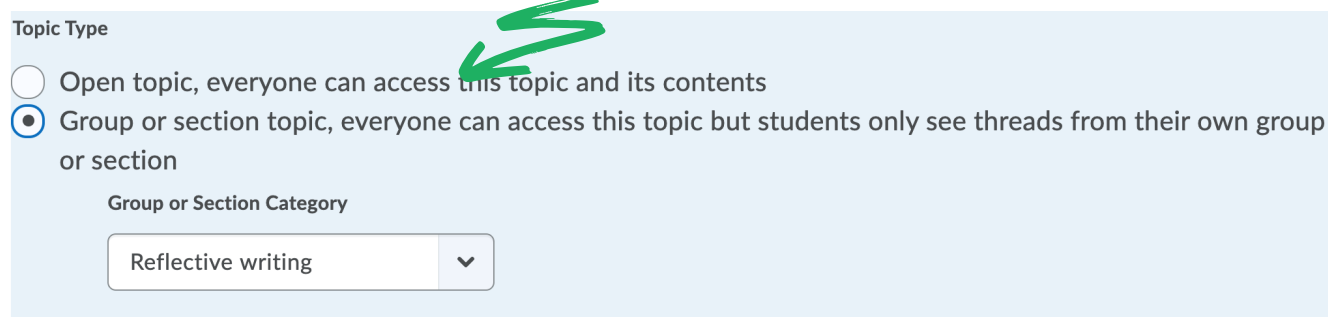

Recommended workflow: set up your groups then go to Assessment or Discussions tab for the set up. You should only set up a **LOCKER** when creating groups (shared file space for students)

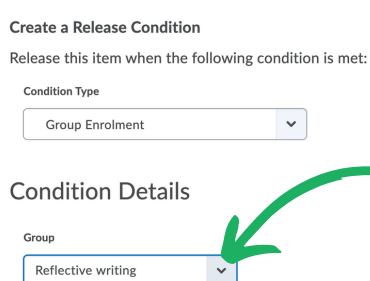

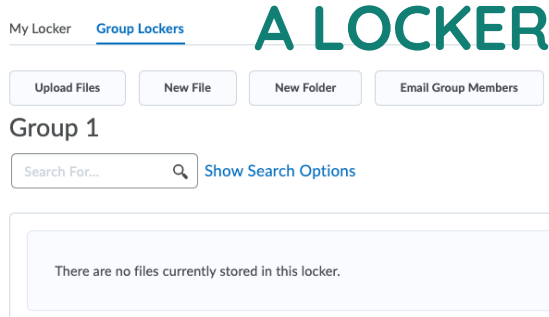

**Assignments** - file or text submission for groups -select from drop down the grouping

**Discussions** - that can substitute blogs, wikis or learning journals (individual enrollment), start with the topic type +group topic

Group members **communicating with each other**  
**Sharing files** within the locker

Assigning **content** to specific groups - Release Conditions in My Learning space
